**Evidence Eliminator™** is the World's most advanced Windows hard-drive cleaner that defeats forensic analysis software as used by police and government agencies. **Evidence Eliminator™** has been featured on the covers of major magazines worldwide and has an excellent reputation for quality and innovation in protecting our clients security - both in terms of personal security, and securing corporate networks and public computers in schools, colleges, universities and libraries.

**Evidence Eliminator™** is the highest-selling product of its type, with millions of downloads both in the USA, UK, Europe and worldwide. Thousands of law-enforcement and police departments have downloaded **Evidence Eliminator™**. We offer [endorsing statements](#) by such notable authorities as a UK forensic Expert Witness and a detective with the US-based Los Angeles County Sheriff's Department's High-Tech crimes detail as published by the Institute of Electrical and Electronics Engineers (IEEE) magazine.

**Evidence Eliminator™** is a tremendously successful product. Most information in circulation about **Evidence Eliminator™** is true. On occasions we have seen "Intentional Bad Press" - but then we found it was competitors spreading false rumours, in order to sell alternative products which were not of the same excellent quality as **Evidence Eliminator™**.

Instead of responding individually to their attempts to sell imitations ("clones") of the original **Evidence Eliminator™**, we have instead published a [Fact Sheet](#) to counter those statements with the facts, and enable you, the reader, to make your own informed decision on the truth.

Simply start to enjoy the benefits of **Evidence Eliminator™** right now! Try **Evidence Eliminator™** for yourself and see just how great it really is. [Download Now!](#)
